Parent Information Sheet

Fees:

Deposits are required with all registrations. Balance of payment is due 10/25/08. Fees for families with two or more swimmers are discounted automatically. Payment schedule is available for those families that are interested.

Official Training:

Our team is required to provide certified officials for YMCA and USS Meets. We provide the training. This is a great way to become involved in the sport. If you are interested, please contact Mike Grace at michelnev@aol.com or on 609.581.1730. WE NEED HELP HERE!

Practice Times:

Parents are urged to have their children ready to ENTER the water at the designated start time of practice – generally that means you should get there 10 –15 minutes ahead of schedule to allow time to change, get organized, and stretch!

YMCA Girls and Boys Teams:

There are separate YMCA Swim Teams for the boys and girls – that means that they do not compete together.

USS Swimming:

Swimmers must be registered with NJ Swimming in order to compete in USS meets. The fee for membership is included in the Age Group, Senior II, and Senior level fee.

Parental Responsibilities:

We are dependent on parents to effectively, efficiently, and economically, run this swim club. As such there are a number of requirements that must be fulfilled. None of them are difficult, and they don't have to cost you anything – what we need is your time. They are detailed on the Parent Responsibility Form. That form needs to be read, signed, and turned in.

Team Swim Suits:

We do have team suit. A “suit sale” date will be announced in September. Latex team caps are provided.

Team Apparel:

Optional Team Apparel will be available. Please look for forms to be distributed at practice, to your email address and on the web site at the start of practices. The turn around time for ordering is very fast – so don't delay!

Parent Liaison:

There will be one “experienced” parent at each practice level who will be responsible for making sure papers/forms/information are distributed. This parent will also serve as a contact point for other parents at that practice level. At each practice site there will be a file maintained for each family. That file should be checked EVERY week! If a swimmer is dropped off – they need to know to check that file!

E-Mail:

All of the information regarding the club is sent to everyone via email. It is IMPERATIVE that we have an email address that is read on a consistent basis. Information is sent in WORD and Excel format. If more than one email address is needed, that's fine...we just want to make sure everyone gets everything!
